CIVIL JUDGMENT

Pursuant to the order issued February 8, 2021, dismissing this action,

IT IS ORDERED, ADJUDGED AND DECREED that this action is dismissed. The Court dismisses this action for failure to state a claim on which relief may be granted, under the doctrine of claim preclusion. 28 U.S.C. § 1915(e)(2)(B)(ii). To the extent that any of the claims that Plaintiff reasserts in the present action were not dismissed on the merits in his previously adjudicated actions, they are dismissed here for the same reasons that they were dismissed in the previously adjudicated actions.

IT IS FURTHER ORDERED that the Clerk of Court mail a copy of this judgment to Plaintiff and note service on the docket.

SO ORDERED.
